

MNYS AND MCNBH PRESENTS

Messages of HOPE

The Mvskoke Nation Youth Services program is partnering with the Muscogee (Creek) Nation Department of Health's Behavioral Health program to create positive messaging for Suicide Prevention Week.

On the attached sign, create a message of encouragement or hope for someone who may be thinking of suicide, then:

1. Take a selfie with your sign,
2. Post your sign to your Facebook, Instagram, and/or Twitter account using the hashtag #MCNHopeWeek2016
3. Tag @MvskokeYouth

OR if social media isn't your thing, email us your photo & we'll post it for you! Email selfie to youthservices@mcn-nsn.gov

Messages can be posted now through September 10th

In using this hashtag you give consent for your photo to be used in a presentation/video for Suicide Prevention Week activities. You release all claims against the Muscogee (Creek) Nation with respect to copyright ownership and publication, including any claim for compensation related to the use of the materials.
